ARCHITECTURAL PROJECTS

PROJECT OVERVIEW – Residential space.

The client envisioned a space that is
“ More than a place to live–A place to belong.”

DESIGN CONCEPT –

Project showcases a sleek, vertically oriented residential tower with a strong emphasis on geometry, material contrast and urban presence.

Along with the residential space we also provided amenities like gym, rooftop gardens, community hall as well as playground which not only enhances convenience but fosters a stronger sense of community.

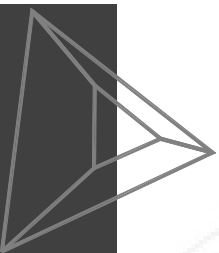

ARCHITECTURAL HIGHLIGHTS –

- Master –planned layouts of 1BHK, 2BHK & 3BHK with a mix of unit sizes.
- Clever use of space, natural lights, and cross-ventilation in apartment interiors.
- Shared amenities like gym, rooftop gardens, community hall and play area.
- Design elements that foster community interaction without compromising privacy.
